Stitch of the Week # 80

Diamond Link Stitch

Skill Level: Intermediate

Note: Use hook size recommended on yarn label of the yarn you will be using or one size smaller for best results.

When making your crossed fpotr stitches make sure to pull up to current level of work, or your work will be deformed and start dipping in the middle.

Special Stitches: Front Post Treble (fpotr): yarn over the hook twice, insert your hook from front to back then from back to front around the post of the stitch indicated, [yo, pull through 2 lps] 3 times.
